Cllr Allen reported that people appeared to be ignoring signs and she had noticed fouling at the base of a lamppost upon which there was a dog fouling sign. Cllr Allen agreed to get some publicity about the problem in the local newspaper and Cllr Mawle agreed to speak with the District Council about the problem.

#### **10. Correspondence.**

#### **11. Road Safety within the Village.**

The Clerk reported that he had received an email from Staffs C. C. about Grit Bins. They would look into moving the grit bin in Chapel Lane to the junction with Cumberledge Hill and would look at the other suggestions for new locations that the Council had asked about. However, due to the bad weather they had been very busy and had not actually been out to inspect the area.

#### **12. Quality Council Status.**

Nothing further to report.

**13. Parish Council Web Page.**

Cllr Powis reported that as yet the site was still not live. He suggested that the Council should think about having a “Mission Statement” on the page. Cllr Powis was looking into collecting historical information and photographs of the Village. As yet he was not aware of what the Web Page would be called. The other web page had Village information on it but had not progressed significantly and Cllr’s wondered if that site would consider closing in which case that address could possibly be used. Cllr Powis would look into this matter and also speak to Eric Roy about the situation and hopefully at the next meeting may be able to advise the Council of a go live date.

**14. Community Speed Watch scheme.**

Hazel Slade was commencing training for their scheme soon and was borrowing the equipment from Prospect Village. Cllr’s agreed to leave this ongoing.

**15. Best Kept Village 2009.**

Cllr Allen informed Cllr’s that she had met with Mr John Perry from the Community Council of Staffordshire to discuss things and get advice on the competition. Cllr Powis had helped to draw the map of the Village which would account for 20% of the overall marks. A duplicate of the map was shown to Cllr’s who agreed it was really good. The entry had been submitted and now the competition needed to be advertised locally to get people on board. It was felt some sort of Children’s competition would be good to advertise the competition. Judging starts in May but nobody is aware of when their Village is being judged.

**16. Village Newsletter.**

Nothing further to report.

**17. Public Footpaths and Rights of Way.**

The Clerk informed Cllr’s that he had received the map from Staffs C.C. Cllr’s looked at the map and thought it worth looking at in conjunction with the Community Paths initiative. This will be an ongoing item.
