Mr J. Potts who lived at 12 Gilwell Road stated he had concerns about an Oak tree which was at the junction of Gilwell Road/Bradwell Lane. He told Cllr's that the tree had grown across the footpath which meant school children had to walk in the road to get past it. He had reported it several times to the District Council asking them to trim it back but nothing had happened. Cllr's agreed this was not satisfactory and the matter needed to be dealt with. Cllr Mawle told Mr Potts that he would speak directly to the District Council and would ring him to let him know what would be happening.
